

Online Norwegian language course

This online course is aimed at students with full time occupations and students who cannot, for other reasons, attend regular classes. All lessons take place online. Consequently, all students must have access to the Internet and a computer. Students must be able to work on their own, and basic computer skills are required.

The course employs the digital learning platform “*Min vei*”. All assignments are handed in online, including oral assignments. Students are expected to spend five hours per week on the course. You can do the work at any time during the day or night throughout the week, but absences (i.e. failing to participate) will be recorded.

If you are unable to do the required work at any time, you have to inform your net-teacher via the “*Min vei*” platform.

The course covers all levels from A1 to B2 and you may sign up for lessons at any time.

When you sign up for the course you have to provide an e-mail address in order to receive a username and a password.

The login page is to be found at <https://eportal.fagbokforlaget.no>

Click “*FEIDE*”, select “*tilhørighet Osloskolen*”, and log in.

You will receive an e-mail from your net-teacher with information about how to proceed.

Feel free to send queries regarding the course to your teacher at any time.
